

Your clients have earned the right to enjoy a wonderful cruise at a great price. That's why we are offering Early Saver rates good enough to save your clients big bucks off their vacation sailings.

Simply book them 3 months in advance for a short cruise, or 5 months in advance for a cruise lasting at least 6 days, and they'll save up to 20%. And you can guarantee them that they're getting our absolute lowest rate. If, after you book their cruise, they find a lower Carnival advertised fare, we will match that rate and issue them the difference in onboard credit.

Remember, Early Saver rates expire daily! For more information on these and other specials visit the Specials page on www.GoCCL.com.

To book, visit www.GoCCL.com or your GDS.
